February 9 – 11, 2022

WORKSHOP

WEDNESDAY, FEBRUARY 9, 2022

12:00 PM – 12:30 PM

Workshop Registration

12:30 PM – 5:00 PM

Each workshop limited to 50 registrants
Laptops provided for hands-on exercises
Workshops run concurrently

Credentialing Workflow Using Aiva

Get to know all things Aiva in this workshop. Attendees will learn best practices to efficiently process applications and manage their workload. You will leave this session with solutions to your most challenging problems.

Quality: Case Review, FPPE, OPPE

Struggling to measure provider performance? This workshop reviews features and workflows to support your process. Whether you are an existing MD-Stat user or just starting implementation, this session will position your organization for success.
